# HOT DRINKS

## OUR COFFEE

Only contains the finest Arabica beans from Brazil, Nicaragua, Mexico, Guatemala and Ethiopia, for an intense flavour. The handpicked beans are grown more than 1,600 metres above sea level resulting in slower growth and more concentrated flavour. Low in caffeine, the beans are roasted in individual batches before blending, cultivated using rainforest standards.

**HOT DRINK ALLERGIES & INTOLERANCES:** We offer milk free substitutes at our venues however, due to the automation used in our freshly ground bean to cup coffee machines we cannot guarantee that traces of milk and milk protein are NOT present within our hot drinks. If you suffer from a MILK allergy or intolerance, please speak with a member of our team or make your own informed choice at the time of ordering.

### EVERY PENNY YOU SPEND MAKES A DIFFERENCE

Did you know we are a charity? Every penny we make at all our hospitality sites gets re-invested into Burnley. You are helping to support projects including cardiac rehabilitation, providing swimming lessons for children, and supporting education and physical activity programs in schools.

### WHAT'S THE SIGNIFICANCE OF 1855?

Designed by Architect James Green of Todmorden, the Mechanics opened its doors in 1855 as a shining example of the Mechanics Movement. It aimed to provide better education and skills for the rapidly expanding workforce to meet the needs of a changing society during the industrial revolution.

### WORKING HARD TO KEEP IT LOCAL

We are experiencing challenges in ordering certain food and drink items from our fantastic local suppliers. This includes both availability of products and price volatility. It is important to us to support our local businesses so from time to time we may substitute menu items and drinks for different products. Our talented chefs will ensure the quality of our food will not change. Please bear with us, we thank you for your support.

### DID YOU KNOW?

Our used cooking oil is carefully collected from all our hospitality kitchens and turned into green energy and biodiesel.

Burnley's largest provider of hospitality, meetings & events  
at six venues across the town.

### FIND US AT

Mechanics Theatre | Prairie Sports Village | Rotunda Café | Towneley Golf Course | The Boathouse & The Pavilion Thompson Park
