OUR COFFEE

Only contains the finest Arabica beans from Brazil, Nicaragua, Mexico, Guatemala and Ethiopia, for an intense flavour. The handpicked beans are grown more than 1,600 metres above sea level resulting in slower growth and more concentrated flavour. Low in caffeine, the beans are roasted in individual batches before blending, cultivated using rainforest standards.

WORKING HARD TO KEEP IT LOCAL

We are experiencing challenges in ordering certain food and drink items from our fantastic local suppliers. This includes both availability of products and price volatility. It is important to us to support our local businesses so from time to time we may substitute menu items and drinks for different products. Our talented chefs will ensure the quality of our food will not change.

Please bear with us, we thank you for your support.
