

General Information:**MAIN STAGE**

Contact Address:	Burnley Mechanics Theatre Burnley Leisure Manchester Road Burnley Lancashire BB11 1BH	Dock Door Sat Nav: BB11 1HD
Telephone Nos.:	Administration (all depts.): Box Office:	01282 664400 01282 664400
Technical Contacts:	Technical Manager Geoff Soltau Chief Technician Angus Allen	01282 664400 Ext.7226 (Office) 07734 672312 (mobile) gsoltau@blcgroup.co.uk 01282 664400 Ext.7114 aallen@blcgroup.co.uk
Parking:	From Yorke Street, turn left into the car park through the yellow gates. The Loading Bay is on the left, behind the Basement Studio. We can accommodate a 13.7m/45' truck and a tourbus, although prior notice is required to ensure space is available. 16amp power for trucks and buses by prior arrangement. N.B. This area is patrolled by Civil Enforcement Officers. Please ensure that you obtain a valid parking permit from a member of theatre staff, as we cannot be held responsible for vehicles being ticketed for not displaying one.	
Get-In:	Access to the theatre, which is situated on the third floor, is via a goods lift. The lift dimensions are 2.6m (l) x 1.6m (w) x 2.3m (h). Maximum weight capacity is 2250kg. Any items that are too large for the lift can be brought in via the main entrance or, if suitable, hoisted up the outside of the building via a 500kg hoist (weather permitting). Once at theatre level there is a tail lift to access the dock doors, with a maximum weight capacity of 1000kg.	

Auditorium:

Capacity:	Tiered Seating	370
	Stalls Seating	123
	Total	493
	Standing Event	700

The seating is fully configurable to suit your event, and can include a flat floor performance area, cabaret style seating, full banquet seating, etc.

Control Room: Located at the back of the auditorium, behind the tiered seating. Removable windows at both LX and Sound positions.

FOH Positions: In addition to the Control Room, there is a control position for Sound and LX Immediately outside the Control Room at the top of the tiered seating.

All these positions require the removal of seating and therefore must be reserved at time of booking with the Technical Manager.

All equipment is subject to wear and tear, and possible damage.

We endeavour to maintain all our equipment in a serviceable condition, but it is possible that some items may not be available when you visit.

Should a particular item be essential for your production, we suggest you inform the Technical Manager at the earliest opportunity.

All electrical equipment brought onto the premises MUST have a valid PAT sticker or certification, otherwise we reserve the right to prohibit its use.

Directions:

What Three Words: [///take.give.home](https://www.what3words.com/#!/en/@@@take.give.home)

Travelling East-bound on the M65:

Leave the M65 at Junction 10. Look for the brown sign to Townley Hall.

At the roundabout take the 5th exit onto Cavalry Way. Passing over the motorway, take the 1st exit from the roundabout, signed Burnley Town Centre.

Take the right-hand lane, and at the traffic lights take the right fork, following the brown Townley Hall and Burnley Mechanics sign.

You are now on Trafalgar Street. Pass a garage on the left, and a McDonalds and KFC through the lights on the right.

At the next roundabout, take the first exit towards Town Centre and Mechanics.

Proceed down the hill through the traffic lights, and you will see the Town Hall on your left (with clock tower).

Burnley Mechanics is on your left immediately after the Town Hall. Turn left after the Mechanics onto Yorke Street. Left at the bottom and into our Car Park.

Travelling West-bound on the M65:

Leave the M65 at Junction 10. Stay in the left-hand lane on the slip road.

At the roundabout take the 1st exit, signed Burnley Town Centre.

Take the right-hand lane, and at the traffic lights take the right fork, following the brown Townley Hall and Burnley Mechanics sign.

You are now on Trafalgar Street. Pass a garage on the left, and a McDonalds and KFC through the lights on the right.

At the next roundabout, take the first exit towards Town Centre and Mechanics.

Proceed down the hill through the traffic lights, and you will see the Town Hall on your left (with clock tower).

Burnley Mechanics is on your left immediately after the Town Hall. Turn left after the Mechanics onto Yorke Street. Left at the bottom and into our Car Park.
